

Maths:

In maths this term we will be looking at positional language, sequencing and one more than/ one less than.

Alongside this, we will be practicing our adding and subtracting.

P.E:

In P.E. this term, we will be building on using our multiskills. For example: practicing our different ways of travelling, special awareness and ball skills.

Our P.E. session will be on a Monday. Please send children in in their P.E. kits.

D.T.

Within D.T. this term, Elm class will be creating their own finger puppets, linking to our science topic of animals.

We will be exploring the different materials and techniques needed to create our finger puppets.

Curriculum Overview Year 1 and 2 Elm Class

Science:

In term 1, we will be exploring the different animal habitats around the world and the species that live there.

Not only we will explore those that are far away, but also the habitats right on our doorstep!

English:

This term we will be focusing on Grandad's Island. We will be using the illustrations from the story to create our own story.

Computing:

This term within computing, we will be completing an Online Safety unit as well as exploring Purple Mash.

R.E.

This term in R.E, the children will be working with Mrs Brown and looking at what a parable is. The children will also be looking at forgiveness and stories that relate to this.

Art:

In Art this term, the children will be exploring the artist Claude Monet through an artist spotlight. They will be looking into what inspired him to create his artwork and exploring techniques for their own artwork.
