12th May 2020

Dear Parents,

Further to my letter yesterday, I am writing to you to advise you that late last night I received several lengthy government documents relating to the possible re-opening of schools for specific year groups from (at the earliest) 1st June 2020.

It will take a little time for me to work through the documents and consider the implications for our school setting. I am sure you will understand that there are a number of issues that I will need to risk assess and make decisions accordingly.

As soon as I am able to provide further information and detail around what we may be able to offer our pupils and families I will, of course, be in touch.

I will be updating the Covid-19 page on our website regularly with further information and guidance <https://penshurstschool.org.uk/corona-virus-covid-19-updates/> Please use the website as a place to find links to central and local government guidance – as well as a place to find information from myself.

With kind regards,

Sue Elliott
Headteacher
