6<sup>th</sup> July 2020

Dear Parents,

Only a few more weeks to go; you have all done a great job of coping with learning remotely.

I have uploaded the latest Classroom Secrets Home Learning booklets; I hope you are finding these useful – the children in Reception and Year 1 are using these in school and they have been working hard completing the tasks.

Please also remember there are resources available via Bug Club (online reading materials) – in my newsletter on Friday I launched a special 'raffle', all children logging on and completing all Bug Club reading tasks (for at least 2 books) will be entered into a special raffle – there will be 2 prizes of a £10 Amazon voucher. Get reading, you've got to be in it to win it!

Teachers also set weekly My Maths tasks and multiplication facts can be practised through 'Times Table Rockstars'.

Yesterday was the 72<sup>nd</sup> birthday of the NHS – our nurses, doctors and other front line workers have been doing a tremendous job and my challenge for this week is to use whatever way you would like; picture, poster or poem to celebrate their good work and say thank you. Please email them to me and they will be displayed on the school's website.

I hope you have a great week and remember that the summer break is not too far away – when you and your family can spend some time away from your 'home school'.

Take care,

Sue Elliott  
Headteacher
