

# PENSHURST C.E. PRIMARY SCHOOL

*Dear parents*

## THIS WEEK'S NEWS

Dear Parents,

Welcome to Term 6 – which is already well under way. This newsletter is a slightly shorter version as our pupils in Oak Class are away at their residential and we will be awarding our Stars of the Week certificates to pupils in Monday's Collective Worship. This term is a busy one with so many things going on. We have already had an afternoon of Tag Rugby for our pupils in Years 3-6. Pupils from Years 5 and 6 have also attended a 'debating session' at Sevenoaks School and this week we attended a local schools Cross Country Event. Our Year 5 and 6 pupils are away at their residential which I am sure is providing some memory making opportunities.

The Penshurst Fete took place last Sunday; many thanks to the PTA for their hard work. I hope if you went along you got to see the school banner that Penshurst Knit and Natter have made – it is amazing and I am very grateful to them.

There is so much more to come this month – key dates and times can be found on the school website.

Kind regards,

**Sue Elliott, Headteacher.**

**Cross Country Competition**  
Our pupils had a great time at the recent Edenbridge and District Sports Association Cross Country Competition. They demonstrated great sportsmanship and encouraged each other to keep going even when they found it tough. I am very proud of their fantastic attitude. Many of the parents attending took time to let me know how the children clearly demonstrated the school's vision and values. Well done to them all for being such great ambassadors for the school.

**Penshurst Village Fete**  
Many thanks to the PTA for supporting the Penshurst Village Fete last Sunday. Thanks also to Martha in Year 6 pupil and Sadie an ex-pupil for their great bracelet making – they donated all the money they raised to the PTA.
